THIERRY ESPRESSO BLEND

Blended by 49th Parallel Coffee Roasters, Vancouver

Designed exclusively for the Top Table Group, the 'Thierry Espresso Blend' is an all organic, fair trade blend using only arabica beans. Each bean type is roasted individually, then weighed and finally blended to an exact standard. The European dry roast method is used to ensure quality, freshness and a signature taste profile which is smooth, dark and intense. Notes of chocolate and caramel are tempered to produce a low acidity coffee that can be enjoyed on its own
